Craig, Gail, Bob:

The Govt attorneys working on the Wallace Yard and Spur Lines site would like an initial conference call with you on Monday. We are not thinking of a line-by-line review of either the draft CD or SOW, just an opportunity to ask some questions, raise some issues, and discuss a plan for moving forward with negotiations. We propose this call for one hour beginning at 10:00 am PST (11:00 am MST, 1:00 pm EST). After resolving this time among Govt counsel, I hope this can work for your schedule.

Please reply back to confirm this time (or suggest alternates, if necessary). If it works, I will send out a call-in number later today.

Thanks.
